(Amended)

**Elections—Election Expense Apportionment—Expenses Subject to Apportionment; Payment By County; Reimbursement; Basis for Apportionment.** Darrell E. Miller, Jewell County Attorney, Mankato, August 9, 1993.

The legislature has established an administrative procedure to be followed by governmental subdivisions

aggrieved by a determination of the county election officer regarding apportionment of election expenses. Any governmental subdivision which fails to exhaust the remedies established under that procedure incurs the liability for the apportioned expenses as determined by the county election officer.

Apportionment of election expenses pursuant to K.S.A. 25-2201 is to occur except when all registered electors of a county are eligible to vote in an election conducted in the county. It is not required that all registered electors of the county be eligible to vote for the same public offices or questions. **Drainage and Levees—Drainage Districts Within Counties or Cities; Drainage Act of 1905 and Amendments—Powers of Drainage Districts.** Charles F. Speer, Counsel for Fairfax Drainage District, Kansas City, Missouri, August 24, 1993.

Absent a contract, implied or otherwise, a drainage district is not authorized by statute to compel payment for sewer services provided to a municipality. Cited herein: K.S.A. 12-2904; 12-2905; 24-407; 24-408; 24-469; K.S.A. 1992 Supp. 79-201a. GE

**Crimes and Punishments; Kansas Criminal Code; Prohibited Conduct—Crimes Affecting Business—Debt Adjusting.** Joan Hamilton, District Attorney, Topeka, August 27, 1993.

Any fee paid by a debtor to an organization, whether established for profit or not, in exchange for that organization distributing money periodically paid by the debtor among specified creditors is "consideration" as that term is used in the Kansas debt adjusting statute. Cited herein: K.S.A. 21-2464 (repealed 1969); 21-4402, as amended by L. 1993, ch. 239, § 224. CN

**Roads and Bridges; Roads—General Provisions; Laying Out and Opening Roads—Requirement That Roads be Accepted by County.**

**Cities and Municipalities—Planning and Zoning; Planning, Zoning and Subdivision Regulations in Cities and Counties—Subdivision Regulations; Requirements for Street Improvements.** Joann Flower, State Representative, 47th District, Oskaloosa, August 27, 1993.

A county road is established upon recording the survey and plat of the same. The degree of improvement or maintenance of county roads is discretionary with the county. A county may have a cause of action against a developer for failure to build subdivision roads in compliance with county requirements. From firms expressing interest, the Consultant Selection Committee will select a list of what it determines to be the most highly qualified (not less than three, nor more than five) and invite them to attend a pre-proposal conference. Firms not selected will be notified by letter.

The Negotiating Committee, appointed by the Secretary of Transportation, will conduct discussions with firms invited to the pre-proposal conference and select one firm with which to negotiate a contract. After a contract has been awarded, the remaining firms not selected will be notified by letter.

It is the policy of KDOT to use the following criteria as the basis for selection of consultant engineering firms:

1. Size and professional qualifications.
2. Experience of staff.
3. Location of firm with respect to proposed project.
4. Work load of firm.
5. Firm's performance record.

Wildlife and Parks Commission

Notice of Hearing on Proposed  
Administrative Regulations

A public hearing will be conducted by the Wildlife and Parks Commission at 7 p.m. Thursday, October 14, at the Anderson County Community Building, Route 1, Lake Road, Garnett, to consider the adoption and revocation of several department regulations. There will be a public comment period at the beginning of the evening meeting and additional comments may be taken during the meeting on agenda items.

A workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. October 14, at the location listed above. The public also will be given the opportunity to comment on any items at the beginning or during the afternoon meeting. The meeting will recess at 5 p.m. then resume at 7 p.m. at the same location for the regulatory hearing. Old and new business may also be discussed at this time. If necessary to complete the hearing or other business matters, the commission will reconvene at 9 a.m. October 15 at the location listed above.

If notified in advance, the department will have an interpreter available for the hard of hearing. To contact the department for this or any other reason, members of the public with a hearing impairment may call the TDD service at 1-800-766-3777. All public meeting areas are accessible to those who are physically disabled.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations.

All interested parties may submit written comments prior to the hearing to the chairman of the Commission, Kansas Department of Wildlife and Parks, Suite 502, Landon State Office Building, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations to be heard during the regulatory hearing portion of the meeting are:

**115-17-15. Sale and purchase of game animals.** This would be a new permanent regulation incorporating under current regulatory structure the components of K.A.R. 23-19-1, which is proposed for revocation. The only change would allow dropped antlers to be possessed and would authorize the sale of the antlers.

**Economic Impact Summary:** This regulation continues the provisions of K.A.R. 23-19-1 and there would be no impact, except the provision to allow possession and sale of dropped antlers would provide income to some individuals finding trophy antlers.

**115-18-9. Furharvester license; unlicensed observer and restrictions.** This would be a new permanent regulation incorporating under current regulatory struc-

(continued)

ture the components of K.A.R. 23-6-8, which is proposed for revocation. The unlicensed observer's activities would be limited to observing dogs with the intent to purchase the dogs.

**Economic Impact Summary:** This regulation continues the provisions of K.A.R. 23-6-8 and there would be no impact. The restriction will meet original intent of the regulation.

**115-18-10. Importation and possession of certain wildlife.** This would be a new permanent regulation incorporating under current regulatory structure the components of K.A.R. 23-16-1, which is proposed for revocation. The regulation provides for issuance of wildlife importation permits for experimental, scientific, display or for other purposes subject to conditions and restrictions specified in the permit. Permit application procedures are specified.

**Economic Impact Summary:** Providing for the use of prohibited species for "other purposes" will enable some individuals to use those species in commercial ventures. The economic value to those individuals is unknown. It is estimated the department will issue 20 such permits for "other purposes" at \$10.50 per permit. Development of permit restrictions will be borne by the department.

**115-21-3. Provisional guides; registration and reporting.** This new permanent regulation provides for a registration process and for reporting of guide activities if requested by the secretary. No charge is established for registration.

**Economic Impact Summary:** Minimal impact will be noted by provisional guides as a result of the application process and reporting requirements. Administrative costs will be borne by the department and are expected to be insignificant.

**115-30-8. Boating, accident reports.** This permanent regulation is proposed for amendment. It incorporates a \$500 minimum damage threshold for reporting boating accidents. Information to be contained in an accident report is specified.

**Economic Impact Summary:** No economic impact is anticipated.

**23-4-1. Issuance of warning citations.** This permanent regulation is proposed for revocation. K.S.A. 1992 Supp. 32-808 as amended by L. 1993, Chapter 150, Section 1 provides for warning citations; therefore, K.A.R. 23-4-1 is no longer necessary.

**Economic Impact Summary:** No impact will occur.

**23-6-8. Furharvester—authorization for unlicensed observer.** This permanent regulation is proposed for revocation. The provisions of this regulation are continued in K.A.R. 115-18-9, which is proposed for adoption.

**Economic Impact Summary:** No impact will occur as a result of revocation.

**23-16-1. Importation and possession of certain wildlife.** This permanent regulation is proposed for revocation. The provisions of this regulation are contained in K.A.R. 115-18-10, which is proposed for adoption.

**Economic Impact Summary:** No impact will occur as a result of revocation.

**23-19-1. Sale and purchase of legally acquired non-migratory game birds and game animals.** This permanent regulation is proposed for revocation. The provisions of this regulation are contained in K.A.R. 115-17-15, which is proposed for adoption.

**Economic Impact Summary:** No impact will occur as a result of revocation.

**115-9-1. Licenses, stamps, permits and other department issues; procedures, form and content, and applications.** This permanent regulation is proposed for revocation. The regulation has proven to be unnecessary and it was recommended by the Joint Legislative Committee on Administrative Rules and Regulations for revocation.

**Economic Impact Summary:** No impact will occur as a result of revocation.

#### Article 2.—LOTTERY RETAILERS

**111-2-27. "Club Keno" sales promotion.** In addition to compensation specified in K.A.R. 111-2-4 and 111-2-6, the Kansas lottery may also offer the following as bonus incentives to enhance the sale of "Club Keno" and "Keno Plus" tickets:

(a) The "Club Keno" and "Keno Plus" sales promotion will commence at 6:00 a.m. on September 9, 1993, and end at 11:59:59 p.m. on November 17, 1993.

(b) Each on-line retailer will be assigned a sales level designation, A through E, based upon retailers' "base sales average." The "base sales average" is arrived at by computing retailers' average "Club Keno" or "Keno Plus" sales for the four week period beginning July 1, 1993 and July 28, 1993. For new on-line retailers, starting on-line sales after July 1, 1993, the "base sales average" will be the week with the highest "Club Keno" sales occurring between July 1, 1993, and September 9, 1993. New on-line retailers starting on-line sales after September 1, 1993 are not eligible for this promotion.

(c) Each sales level will be determined as follows:

#### SALES LEVEL AVERAGE WEEKLY "CLUB KENO" SALES

A	\$2,000.00 and Up
B	\$1,125.00 to \$1,999.99
C	\$750.00 to \$1,124.99
D	\$250.00 to \$749.99
E	\$0.00 to \$249.99

(d) Retailers with a sales average under \$50.00 per week will be assigned a base sales average of \$50.00 for purposes of this promotion.

(e) There are four cash prizes in each sales level, first, second, third and fourth prizes. At the termination of the on-line sales promotion, retailers in each of the five sales levels will be ranked according to each retailer's cumulative per cent of sales increase between the base period and the ten-week promotion period to the nearest fraction of a per cent necessary to determine a winner. The retailer in each sales level with the greatest percentage increase will be the first prize winner, second highest percentage increase will be the second prize winner, third highest percentage increase will be the third prize winner and the fourth highest percentage increase will be the fourth prize winner.

(f) The prize winnings will be distributed as follows:

Sales Level	Prize	Prize	Prize	Prize
A	\$1,500	\$750	\$450	\$300
B	\$1,000	\$500	\$300	\$200
C	\$1,000	\$500	\$300	\$200
D	\$1,000	\$500	\$300	\$200
